

YSGOL MAESYDDERWEN

6th March, 2015

Dear Parents.

Over recent weeks, a number of concerns have been raised with me regarding traffic issues. I am keen to ensure you are aware of these matters and can help us address them.

Firstly the school car park is very busy at the start and end of the school day and there have been instances of near misses with cars and pedestrians. If you are dropping your child at school, please observe the speed limit and where possible use the drop off point in front of the school rather than drive through the school car park.

In addition, we are seeing more vehicles driving the wrong way through the school. The road lay out is a one way system with the entrance via Croesfrydd and the exit opposite the hospital.

Finally, please do not park in the bus bay at the end of the day as this makes it difficult for the buses to manoeuvre.

Safety is paramount and I look forward to your co-operation to ensure pupils and staff are safe as they enter and leave the school.

We are enjoying a busy and successful year. Please see our Twitter and Facebook feeds for all of our school news. We are currently adding information to our school website and developing a learning area. We welcome feedback. We are now receiving more messages via the 'contact us' facility on the website and from next week there will be an area on the website where you can comment on draft school policies.

Yours sincerely

S. A. Speedy.
